

## Option 1 - Hosting & Maintenance Package

**£50 pcm**

**Ideal for those who do not require content updates but want peace of mind knowing their website is secure and always fully functioning.**

Includes:

- Hosting your WordPress site on our server.
- Fully integrated anti-virus & anti-hacking measures.
- Hourly back-ups and website recovery.
- Fortnightly manual maintenance & plug-in updates.

## Option 2 - Basic Update Package

**£150 pcm**

**Ideal for those with infrequent content tweaks. E.g. Event calendar updates, adding blog posts etc.**

Includes:

- Everything from Hosting & Maintenance plus:
- Once a month content updates;
  - Up to 4 hours of our web-designers time month.
  - Adding, removing or editing content including sub-pages.

## Option 3 - Standard Update Package

**£250 pcm**

**Once-a-month edits not enough? Need new pages added or old ones removed from time-to-time?**

Includes:

- Everything from Hosting & Maintenance plus:
- Fortnightly content updates;
  - Up to 10 hours of our web-designers time a month.
  - Adding, removing or editing content including structural changes to main and sub-pages.

## Option 4 - Full Update Package

**£700 pcm**

**Ideal for those bigger businesses with a need for regular, up-to-date website changes.**

Includes:

- Everything from Hosting & Maintenance plus:
- As-and-when needed content edits;
  - Up to 25 hours of our web-designers time a month.
  - Changes made within 5 working days of request.
  - 2x Monthly urgent requests with 1 working day turn-around.
  - Any and all website edits covered, excluding complete re-design/build.

### **Don't need regular content updates but still want it covered?**

You can select our Hosting & Maintenance package and then pay for content updates as and when you need them at our hourly rate of £35/hr. Standard turnaround of 10 working days. Urgent requests will be charged at a £50/hr with a 1 working day turnaround.

-Any requested changes that require plug-ins or build-system updates that are chargeable to third parties will be the responsibility of the client to pay. We will always discuss these with you before going ahead with the changes.

-Domain registration fees are the responsibility of the client. We are happy to manage these for you but the fees will be in addition to our rates.
